

Artisanal Cask Strength Single Malt 10 Year Old

10 years is a long time. A lot has changed in the world since Shelter Point started production in 2011, but what hasn't changed is our commitment to craft, quality, and doing things the best way we know how. For the inaugural 10-Year-Old edition of Cask Strength Single Malt, we decided to let the casks and the spirit do the talking, and present this limited-edition small batch for your enjoyment.

Tasting Notes:

With a nose led by notes of creamy vanilla, milk chocolate, apricots and green apples, a palate featuring baking spices, chocolate chip cookie dough and a kiss of sea salt, this 10-Year-Old Batch Strength Single Malt finishes with lingering woody spice, candied ginger and an assortment of baked goods. A delight for the senses to be shared and savored.

Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
