

# The Forbidden Batch 2

*“The whisky no one knew they needed”*

Shelter Point's second Single Malt Wheat Whisky release has finally arrived. This whisky is the third different grain whisky that we have bottled. Named after our local landmark “Forbidden Plateau”, this small mountain and our whisky are similar as both shrouded in mystery. By using Wheat as the base this whisky is truly unique and unlike anything we have ever produced. This whisky was double distilled and aged in exclusively in American oak ex bourbon barrels for 6 and a half years.

### Tasting Notes:

The Forbidden whisky is sweet and medicinal on the nose. The palate is full of caramel and vanilla and slightly spicy note. The satisfying finish is a delicious combination of a slight peppery note and vanilla

### Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
