

The Collective

At Shelter Point we're in together. Every one of our five local staff contributes to the character and success of the distillery, so we asked each one to choose a favorite whisky cask to include in this special release that celebrates our people. The result is a delicious blend of five specially selected casks that reflect the collective spirit and passion of our Shelter Point family. All whiskies selected are at least 4 years old.

Tasting Notes:

On the nose, The Collective has distinct notes of vanilla and cinnamon with bursts of fruity flavor. The palate is spicy and fruity leading to the satisfying finish that is long with an assortment of spices, cherry wood and salt.

Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
