

Montfort District Lot 141 Single Grain Whisky *Home is where the whisky is.*

Raised right here on our family farm on Vancouver Island, Montfort DL 141 is a truly unique field-to-flask whisky. The name itself is the very lot in which the single-grain barley was grown, and the coordinates to the exact field are included on every bottle. Distilled in our traditional copper pot stills, aged in American Oak at our oceanfront warehouses, and bottled on-site by the Shelter Point family, Montfort DL 141 is a proud product of our distillery home. This limited-edition run is only 1,400 bottles.

Tasting Notes:

On the nose, Montfort DL 141 has a distinct note of quince with almonds, green citrus, and a wash of plum. On the palate is homey fruits candied in sweet syrup, leading to an herbaceous and floral note finish. Add a touch of water to pull that fresh oak into the melody of fruits, and even find a delicate hint of mint.

Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
