

## The Taste of Islay

Our fourth Single Cask edition is the result of many forays into the warehouse, seeking the perfect smoky barrel. This unique Single Grain Whisky is made from unmalted barley grown here on our family farm at Shelter Point, and aged for five years in an ex-bourbon American oak cask. It was then finished for 18 months in an ex-Islay cask from the favourite distillery of the Prince of Wales. Savour our smokiest release yet!

### Tasting Notes:

On the nose the sensation is toffee and vanilla, with a slight dryness. The palate is filled with caramel and a slight saltiness. The finish is long and alternates between sweetness and peat.

### Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
