

Prohibition 10 Years Old

Prohibition Ends at Shelter Point Distillery! 2021 has easily been the most challenging year in Shelter Point's history, but at long last we've triumphantly overcome our troubles and we're ready to welcome the public back once again. To celebrate our victory, we've lined up an extra special release: This 10-year-old single malt whisky was finished in one of the very special new casks sourced directly from Islay's southern coast earlier this year.

Tasting Notes:

With a nose led by notes of creamy vanilla with a hint of medicinal peat and a palate that features a blend of spice, peat and caramel, that finishes with a delicious combination of creamy pudding, iodine and campfire. Our 3rd 10-Year-Old Single Malt expression whisky is designed to be shared and savored.

Shelter Point Farm and Distillery

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
