Single Cask #7
The Essence of Islay

This is seventh release in an ongoing series of single cask whiskies exclusively available at Shelter Point Distillery and on our website. This one-of-a-kind whisky consists of 138 hand-numbered bottles, and is a blend of Single Grain Barley & Malted Wheat. After spending 5 years in ex-Bourbon American oak, we finished things off for an additional 18 months in a rare 'quarter cask' from Islay. To help select this particular bottling, we had a helping hand from our good friend at YouTube's Whisky in The 6, who narrowed down the selection from a group of our favorite recent cask samples. With notes of vanilla, toffee, salted caramel and billowing beach bonfire smoke.

Tasting Notes:
Nose: Toffee and vanilla, with a slight dryness
Palate: The palate is filled with caramel and a slight saltiness, with good amount of peat
Finish: The finish is long and alternates between sweetness and peat.

Shelter Point Farm and Distillery
Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
