

## *The Forbidden*

*“The whisky no one knew they needed”*

Shelter Point's first Single Malt Wheat Whisky release has finally arrived. This whisky is the third different grain whisky that we have bottled. Named after our local landmark “Forbidden Plateau”, this small mountain and our whisky are similar as both are shrouded in mystery. By using wheat as the base, this whisky is truly unique and unlike anything we have ever produced. The whisky is double distilled and aged exclusively in American oak ex-bourbon barrels for 5 and a half years. The Forbidden was a small batch (only 667 Bottles) so get yours while you can.

### **Tasting Notes:**

The Forbidden whisky is sweet, medicinal and subtle on the nose with dried fruits and hazelnut. The palate is sweet caramel, vanilla and slightly honeyed. The satisfying finish is a delicious combination of slight spiciness, chocolate and mint.

### **Shelter Point Farm and Distillery**

Established in 2011, Shelter Point Distillery is located on 380 acres in Oyster River, BC, about halfway up the eastern side of Vancouver Island on the west coast of Canada. The land encompasses 2,000 metres of spectacular oceanfront, a natural mosaic of streams, a salmon-bearing river, wetlands, forests and fields — all shared with native wildlife, from bald eagles and great blue herons to black tailed deer and black bears. Farmed for generations, Shelter Point remains one of the last seaside farms on the Island.
